Chairman, OTR Education Committee

31 October 1963

Chief, Intelligence School

Use of WAP50 Scale for Course Reports

1. The attached memorandum presents a problem that is, I believe, one that should be referred to the OTR Education Committee rather than to DTR directly. Therefore I have not forwarded the memorandum to DTR.

2. Should the OTR Education Committee agree with the recommendations in paragraph 3 or in paragraph 4 of [REDACTED] 25X1A9a memorandum, an appropriate Education Committee recommendation could then be submitted to DTR.

25X1A9a

3. Both [REDACTED] and I would be glad to discuss this problem with the members of the Committee.
